### With faith there is always hope

During this Coronavirus pandemic, many are tempted to fear, anxiety and perhaps even despair. Some have lost their precious lives, some have lost those whom they love, some have suffered through the debilitating effects of this illness, some have lost their jobs, their income, and most have encountered much disruption to the normal flow of their daily lives.

Every crisis in life is also an opportunity to turn to our beloved Savior in trust and complete abandonment so as to rest in His merciful hands. To rest in the hands of God means we are secure, despite the uncertainty of life. It means we are free to love God and others, despite the challenges we face. It means we raise our eyes to Heaven, rather than look down in fear.
